Launch of the Full Documentary on the Making of the 6th Generation Peak Tram

Hong Kong, 13 January 2025 – We are excited to announce the release of a comprehensive documentary that delves into the making of the 6th generation Peak Tram, a project that has transformed one of Hong Kong's most beloved landmarks. Produced by Francisco Guerrero, this documentary captures the entire journey of the Peak Tram upgrade, from the initial challenges to the reopening on August 27, 2022.

The documentary offers a comprehensive exploration of the 6th generation Peak Tram upgrade, highlighting the significant engineering challenges faced by the dedicated team and their innovative solutions to unforeseen difficulties. Viewers will witness the meticulous preparation and rigorous testing conducted to ensure the new tram's safety and functionality, along with the excitement of the reopening, showcasing the joy and anticipation experienced by both the team and passengers on their first journey.

"We are thrilled to share this documentary, which not only chronicles the engineering feats achieved but also celebrates the Peak Tram's rich history and its significance to the people of Hong Kong," said Christobelle Liao, Interim Chief Executive Officer of The Hongkong and Shanghai Hotels, Limited. "We invite everyone to join us in this journey of innovation and nostalgia."

The full documentary is already available for viewing on Youtube, subtitled in Traditional Chinese and English. Please find the links below and we encourage everyone to experience this remarkable journey with us.
